

## Input by civil society to the EASO Annual Report 2016

EASO has started production of the Annual Report on the Situation of Asylum in the European Union 2016, in line with Article 12 (1) of the EASO Regulation. The report aims to provide a comprehensive overview of important asylum-related developments at EU and national level, and the functioning of all key aspects of the Common European Asylum System (CEAS). The report will be finalised by collecting information from EU+ countries, civil-society stakeholders, UNHCR and other relevant sources on main developments in asylum policies and practices of EU+ countries in 2016.

Previous reports can be consulted on EASO's website: <https://www.easo.europa.eu/information-analysis/annual-report>

We would kindly like to ask you to provide your **observations**, - preferably bullet points to facilitate further processing of your input - **on developments in asylum law or practice in 2016 (and early 2017) in the areas listed below, reflecting the usual structure of the report**. Observations may concern national practices of specific EU+ countries or the EU as a whole.

The EASO Annual Report will not describe the national asylum systems in detail but present key developments in 2016, including **improvements and new/remaining concerns**. The topics listed below reflect the structure of chapter 4 of the EASO report on the 'Functioning of the CEAS'. We kindly ask all contributors to provide brief summaries only on those topics/issues that have seen important **improvements/deterioration as well as new concerns or where previous relevant concerns remained in 2016**.

Please bear in mind that the EASO Annual Report is a public document. Therefore, your input should be, whenever possible, supported with references to written sources to ensure transparency. That can be done by providing links to any documents such as position papers, important press releases, studies, comments, input to the other reports, public statements to government programs, etc.

While EASO endeavours to cover all relevant developments and strives to include as many references as possible, the final content of the EASO Annual Report remains bound by its terms of reference and volume. Therefore, while all contributions are gratefully received and recognised, EASO may edit contributions for length and clarity and use the submissions to best serve the objective of the Annual Report: to improve the quality, consistency and effectiveness of the CEAS.

Please provide your input by filling in this document (with attachments if required) and emailing it to [ids@easo.europa.eu](mailto:ids@easo.europa.eu) **AND** [consultative-forum@easo.europa.eu](mailto:consultative-forum@easo.europa.eu) **by 20 February 2017**.
