SUBJECT: Purchase of portable equipment for operational support
Reference: negotiated procurement procedure EASO/2015/354

EX ANTE PUBLICITY

I. Description of the supplies

In order to perform the deployment of Asylum Support Teams and offer a proper identification of the Member States experts, while being deployed in a host Member State, the European Asylum Support Office is planning the acquisition of portable equipment for its Centre for Operational Support, more specifically the design of EASO accreditation badges and delivery of accreditation badge issuers.

The contract will include the following:

- Design and submission of samples according to the technical specifications;
- Production and delivery of the customized semi-transparent high secure holographic laminating film;
- Delivery and installation of the accreditation document issuers including basic training.

II. Description of the contract

EASO envisages awarding a direct supply contract. The duration of the contract will be 6 months. The estimated maximum amount for this contract is € 45.000 EUR.

III. Description of the procurement procedure

This ex-ante publicity is the first stage of the negotiated procurement procedure (with consultation of at least 3 economic operators) through which EASO may award the above-mentioned supply contract.

Economic operators interested in being invited to participate in this procedure may express their interest by writing to:
