

**ANNEX 3.4.3 - WEIGHTING TABLES FOR FINANCIAL EVALUATION**

For the purpose of evaluation the below Weighting Tables will be used for the weighting of the prices offered in the Financial Proposal form (annex 3.4.2). In case of discrepancies between the unit prices offered in the Financial Proposal Form (Annex 3.4.2) and the unit prices offered in the Weithing tables below, the unit prices of the Financial Proposal Form (Annex 3.4.2) shall prevail.

The weightings are based on the estimated usage of the services. Quantities indicated in the tables below are only indicative and not binding in any way on the Contracting Authority. These quantities are based on an estimation of the consumptions during the total maximum duration of the contract including its renewal (48 months) and will be used only for the assessment of the financial offers.

The Price Award Criterion will be assessed on the basis of the **Total NET Weighted Price** for the estimated quantities.
