Subject: EASO/2013/121: CLARIFICATIONS 1

1.1

Question: Thank you in advance for registering our company in the list of potential tenderers (if so required) and for informing us for any additional material/documentation may be available.

Answer: As stated in section IV.1.1 of the Contract Notice 2013/S 152-263736 and section 3.1.1.2.1 of the Technical Specifications, this is an open procurement procedure.

According to section 3.1 of Technical Specifications *"All tenderers are advised to take note of the fact that no additional information will be sent (neither by post nor by e-mail) regarding new information that has become available. Therefore, all tenderers are kindly requested to visit the above-mentioned website frequently prior to submitting bids"*.

In addition, section 3.1 foresees that *"In case EASO deems appropriate to provide additional information it will be published on the website mentioned above"*.

Consequently, tenderers are requested to check themselves the website <http://easo.europa.eu> for additional information.
