Subject: EASO/2015/257: CLARIFICATIONS 2

Dear Sir/ Madam,

From potential tenderers we received questions that might be of general interest. Please find herewith the answers (in line with point 8 of Invitation letter, clarifying the nature of the contract).

Q: With reference to the selection criteria: is the absence of proof of possessing the necessary authorization to perform the activities requested in the tender a reason for exclusion?

A: It is required to submit this proof as selection criteria evidence. Please refer to 3.4.3 Selection criteria documentation of the Terms of Reference (page 14).

- *Evidence for selection criterion:*

The tenderer shall include into the offer an adequate proof of possessing the necessary authorisation to perform the activities requested in the tender (e.g. Proof of Membership of the Contractor in a professional interpreters' association, licenses specific to the performance of the contract, a certificate from the local authorities governing interpretation services so as to assure EASO that the contractor is ready to begin activities in accordance with the relevant legislation)

Yours faithfully,

EASO Contracts
